The **Canadian Association of Independent Life Brokerage Agencies (CAILBA)** will hold its National Conference and Annual General Meeting at White Oaks Resort, Niagara-on-the-Lake from June 6th to 8th 2017.

We attracted almost 200 attendees across Canada in 2016, representing the life insurance companies and MGA firms across Canada as well as Industry Vendors and Partners. This is a fantastic opportunity to strengthen existing relationships and meet new potential partners for your business. A very informative lineup of speakers and distinguished list of panelists that will be sure to make this an event you won't want to miss.

The Canadian Association of Independent Life Brokerage Agencies (CAILBA) is the single voice for the Managing General Agencies (MGA) across Canada. We are a National industry association that work alongside our members to stay abreast of change and effectively implement compliance and regulatory updates.

The National Conference and Annual Meeting has become an integral part of our association, where our members come together face to face to discuss new issues, trends, and outlook relevant to the MGA business. Our Annual Meeting is not only open to our existing members, but also to any financial services industry organization that is interested in learning more about CAILBA while demonstrating support for the MGA distribution channel.

Networking opportunities are an essential aspect of our meeting and much of this networking will take place at our Sponsors Tradeshow. The Sponsors Tradeshow will highlight all of our sponsors, showcasing sponsors' products and services, in an intimate and engaging setting.

The Sponsors Tradeshow will be open during the Welcome Reception on Tuesday, June 6th and Cocktail Reception on June 7th and during all refreshment breaks over the course of the Conference. Please note, there are a limited number of spots available at the Sponsors Tradeshow, which will be assigned on a first come first serve basis.
